GIRAFFE

LION

NOAH'S ARK - HOW TO BUILD IT

PAGE 3 OF 3 - SIMPLE INSTRUCTIONS

1

1. PRINT

Print Pages 1 and 2 on Letter-size cardstock at 100% / Actual Size.

2

2. CUT

With adult supervision, cut around the SOLID outer lines.

3

3. FOLD

Fold along every DASHED line. Pre-fold the glue tabs before assembly.

4

4. BUILD THE HULL

Glue or tape the two ark sides to the bottom, then attach the front and back.

5

5. ADD THE ROOF

Join the two roof panels at the top and attach them to the ark.

6

6. ADD THE RAMP

Fold the ramp tab and glue or tape it to the front opening.

7

7. ADD THE ANIMALS

Fold each animal's wide base and place the elephant, giraffe and lion inside.

God keeps His promises!

"I have set my rainbow in the clouds..." - Genesis 9:13
